A
NO STREAK
NO SPOT
WASH

Car runs under high pressure overhead spray, while men wash tires.

Looks like new again, after high velocity fans blow excess water off your car, battery of men finish job.

Bob Mofson, owner partner, makes final inspection and touches up inside of car.

**WE
MEAN
IT!**

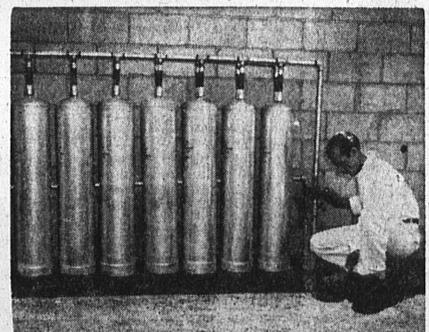

Drive up . . . pass through our TUNNEL OF CAR CLEANLINESS. Take just a few seconds, and your car emerges clean as the day you bought it . . . cleansed by new efficient detergents and by water-flow action. This new car washing development is truly worth seeing. We suggest you drive up today!
